She is quiet and easy to handle. We have brought her along slowly because of her size, but she has never been lame, in spite of a lot of work. She is fun to ride and will make a tremendous novice or youth mount. Spud is National Reining Breeders classic enrolled. She is current on her inoculations and worming, including EVA.

Rose is a pretty 15 hand mare being offered for the competitive team penner / ranch sorter, but you better tighten up your seat belt on your saddle for this one! Very quick, very cow, and takes her work very seriously. She has been shown at team penning and ranch sorting competition, and loves to work cows. With NRHA and NRCHA money earners on her dam's side, rose has the natural reining ability bred into her, and shows it off in competition. She is very willing for whatever you ask of her, and well behaved around other horses. Quiet, calm, not spooky, and a pleasure to take on trail ride, or work all day on the ranch. Rose has excellent conformation with a small pretty head, and a big hip. Don't let your prejudices toward mares keep you from trying out this sweet, well broke mare. Quincy is a classy chestnut gelding with a lot of chrome. He is very catty & athletic & really wants to stop with his butt in the ground. Quincy has been rode out a lot, used on cattle & in the arena. Good to catch, load, clip & shoe. He is very gentle & really fun to ride with tons of try. Sells 100% sound 406-599-0247
